

NOTICE OF 2016 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF LAREDO

A tax rate of \$0.637000 per \$100 valuation has been proposed for adoption by the governing body of City of Laredo. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Laredo proposes to use revenue attributable to the tax rate increase for the purpose of funding operational cost for General Fund, mainly Public Safety, and Debt Service for Fiscal Year 2016-2017.

PROPOSED TAX RATE	\$0.637000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.637000 per \$100
EFFECTIVE TAX RATE	\$0.614390 per \$100
ROLLBACK TAX RATE	\$0.657256 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Laredo from the same properties in both the 2015 tax year and the 2016 tax year.

The rollback tax rate is the highest tax rate that City of Laredo may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

**YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS
FOLLOWS:**

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$

For assistance or detailed information about tax calculations, please contact:
