*#LoveLaredoBIG #BagItGreen #KeepLaredoClean #LoveLaredoMovement*

*By signing this pledge, I am voluntarily committing to not distribute single-use, thin plastic bags in my establishment.*

*Not only will I continue to say NO to plastic in my store, I will be contributing to the beautification efforts in our City and will be setting the example by showing fellow shoppers and store owners how easy it is to stop using plastic bags.*

*I pledge to continue to educate shoppers in my store on bringing in their reusable bags and will continue to put our strongest efforts in moving forward to maintain the City of Laredo free from these single-use plastic bags.*
