

CITY OF LAREDO

8-IN WATER LINE REPLACEMENT ALONG SAN FRANCISCO WEST Addendum No. 2 July 19, 2021

Response to Request for Information (RFI) from Potential Bidders

The purposes of this addendum are response to RFI from potential bidders.

- i) **Question:** What is the specification for the temporary pavement repair such as materials, thickness, and process?

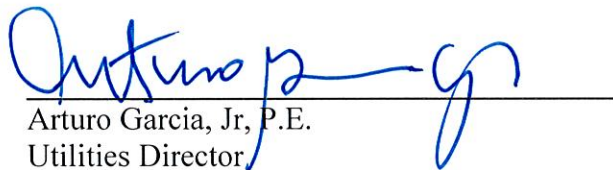

Response: Pavement repair shall be in accordance with City's Standard Technical Specifications Manual which is available in the link below. Details on the repair shall be per drawing.

<https://www.cityoflaredo.com/building/images/files/StandardTechnicalSpecificationsManual.pdf>

- ii) **Question:** What is the procedures to cap and abandoned existing water line in place?

Response: Fill and cap both ends of the line with concrete such that no debris can enter the abandoned line. Filling the line with flowable **is not** required.
