The Budget must be approved by the affirmative vote of five Directors or the majority of the Directors present at a meeting at which a quorum is present, whichever is greater. After approval by the Board, the Budget shall be submitted to each City for approval. Failure of a City to reject, to ask for additional information regarding, or to request modification of, the Budget approved by the Board on or before the thirtieth (30th) day after submission of the Budget to the City shall be

deemed an approval of the Budget by that City (and a request for additional information or for modification may be provided by an employee of a City).

(b) If the Board fails to approve the Budget, or if the Budget is not approved by the City, then the Budget for the prior fiscal year shall be deemed approved.

7.04 *Appropriations and Grants.* The Corporation shall have the power to request and accept any appropriations, grant, contribution, donation, or other form of aid from the federal government, the State, any political subdivision, or municipality in the State, or from any other source.

8.03 *Deposits.* All funds of the Corporation shall be deposited to the credit of the Corporation in such banks, trust companies, or other depository as the Board may select.

ARTICLE IX Indemnification of Directors and Officers

9.01 *Right to Indemnification.* Subject to the limitations and conditions as provided in this Article IX and the Certificate, each person who was or is made a party, is threatened to be made a party to, or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitative or investigative (hereinafter a "proceeding"), or any appeal in such a proceeding or any inquiry or investigation that could lead to such a proceeding, by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a Director or officer of the Corporation shall be indemnified by the Corporation to the fullest extent permitted by the Texas Nonprofit Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) against judgments, penalties (including excise and similar taxes and punitive damages), fines, settlement and reasonable expenses (including, without limitation, attorneys' fees) actually incurred by such person in connection with such proceeding, and indemnification under this Article IX shall continue as to a

person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder. The rights granted pursuant to this Article IX shall be deemed contract rights, and no amendment, modification or repeal of this Article IX shall have the effect of limiting or denying any such rights with respect to actions taken or proceedings arising prior to any such amendment, modification or repeal. It is expressly acknowledged that the indemnification provided in this Article IX could involve indemnification for negligence or under theories of strict liability.

9.02 Advance Payment. The right to indemnification conferred in this Article IX shall include the right to be paid in advance or reimbursed by the Corporation the reasonable expenses incurred by a person of the type entitled to be indemnified under Section 9.01 who was, is or is threatened to be made a named defendant or respondent in a proceeding in advance of the final disposition of the proceeding and without any determination as to the person's ultimate entitlement to indemnification; provided, however, that the payment of such expenses incurred by any such person in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of a written affirmation by such Director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under this Article IX and a written undertaking, by or on behalf of such person, to repay all amounts so advanced if it shall ultimately be determined that such indemnified person is not entitled to be indemnified under this Article IX or otherwise.

9.03 Non-exclusivity of Rights. The right to indemnification and the advancement and payment of expenses conferred in this Article IX shall not be exclusive of any other right which a Director or officer may have or hereafter acquire under any law (common or statutory), provision of the Certificate or these Bylaws, agreement or disinterested Directors or otherwise.

9.04 Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself and any person who is or was serving as a Director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a Director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, proprietorship, employee benefit plan, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under this Article IX.

9.05 Notification. Any indemnification of or advance of expenses to a Director or officer in accordance with this Article IX shall be reported in writing to the members of the Board with or before the notice of the next regular meeting of the Board and, in any case, within the ninety (90) day period immediately following the date of the indemnification or advance notification.

9.06 Savings Clause. If this Article IX or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each Director, officer or any other person indemnified pursuant to this Article IX as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, to the full extent permitted by any applicable portion of this Article IX that shall not have been invalidated and to the fullest extent permitted by applicable law.
