Q: Are we now permitted to socially gather?

A: No. Despite the common misconception that the Governor's Stay Home Order was to expire on Friday, May 1, 2020, Executive Order GA-18 followed by GA 21 has the same Stay Home language as prior Executive Order GA-16. "Every person in Texas **shall**, except where necessary to provide or obtain essential services or reopened services, **minimize social gatherings and minimize in-person contact with people who are not in the same household.**" This means that under existing city, county, and state stay home orders, social gatherings of any size are *not permitted* and people may leave their homes *only* to engage in an essential business, reopened service, essential travel, or to participate in a permitted activity.

Q: Does the City of Laredo's Stay Home/Work Safe Order still apply?

A: Yes. The City Council's April 20, 2020 "Stay Home" Order is still in effect. Governor's Order GA18 followed by GA 21 only modified the City's order in the following two ways: (1) It added additional businesses and services that people are permitted to leave their homes to access (reopened businesses); and (2) it provided that the City cannot impose a civil or criminal penalty for violations of the covering of the nose/mouth requirement.

Q: Do I still have to wear a face covering/mask?

A: Yes. Although penalties will not be imposed on individuals for failure to cover your nose and mouth, face coverings remain a city mandate and each citizen’s responsibility because they protect both you and the public. Facial Coverings: (1) decrease virus spread by infected individuals; (2) decrease new infections by uninfected individuals; (3) prevent airborne virus particles being inhaled from the outside; and (4) and limit hand to face contact.

Q: Can businesses require customers to wear masks?
